

# Monthly Physical Activity Log

Month:

---

| Date | Time | Pre-Exercise Energy Level (1-10) | Activity / Exercise | Post-Exercise Energy Level (1-10) |
|------|------|----------------------------------|---------------------|-----------------------------------|
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
|      |      |                                  |                     |                                   |
